And so that it all goes well

Start right now, Mum and Dad, by explaining to me what's going to happen: the journey, the altitude, the apartment, the cold, the pixies, the friends, the separations and meeting up again, and all the grown-ups who are going to be looking after me...

Here, I can keep my own special cuddly toy, my dummy, sleep when I'm tired...Keep new toys for when I'm home, with Mum and Dad.

It's easier for everyone, if you explain everything (or almost) to the people who are going to look after me: what I like, my routine, what your expectations are, Mum and Dad...And above all, let's part with no hard feelings...

Here, we've got plenty of time. Doing nothing can also mean growing up, I'll do as I want, when I want, I might not like the snow...The grown-ups let me discover for myself the activities on offer.

Please provide us with the child's medical history,
a complete change of clothes, nappies,
and meals for children under 10 months old.
