SKI GATHERING: “SOLO TOGETHER” HOLIDAYS!

In collaboration with the company Ski Gathering, Raphaël Cabuis from Montagne & Tradition organises holidays that bring solo travellers together for their mountain getaway. The initial idea is to share an enriching human experience and meet new people during a holiday that’s revitalising and fun both on and off piste, in the company of people you have yet to get to know. The flexibility of this concept appeals to visitors who can enjoy the company of other holidaymakers when they so wish, but also have the freedom to do what they want. These holidays are intended for all age groups and every level of skier. Be they new to solo holidays or regular lone travellers, they are united by a passion for skiing and winter sports, an open mind and the desire to meet new people.

A stone’s throw from the Perrières slopes, the chalet features all the modern comforts to ensure everyone feels at home and enjoys their stay to the fullest sauna, outdoor jacuzzi, indoor pool, bar, reading lounge, tearoom and much more.

WELLNESS CENTRE, LOUNGE BAR AND RESTAURANT AT THE “PLAGE DU NICO BEACH”

The 4-star Le Labrador 1971 hotel has created a concept all its own, as a chic & casual venue that combines a wellness centre, a lounge bar and a semi-gourmet restaurant. To truly unwind, head for the lower level of the sensory space to relax in the indoor pool or the jacuzzi and make the most of the sauna and hammam. Outside, the heated swimming pool invites you to take a magical dip amid the snow and appreciate the enchanting view of Mont Chéry.
